Transfers of Value re Research & Development as defined (Sub-clause 7.3.6)		
--	--	--

The purpose of the process of publishing data on Transfer of Value (direct and indirect) is to notify HCPs / HCOs with which Organon LLC cooperates or has relations, while following certain goals and conditions in accordance with local laws. Individual disclosure consents were provided by HCPs and HCOs - the consents were given to ensure that Organon LLC complies with local laws. This publication assumes general access for those users who have access to our website or local platforms, but is not intended for additional processing of the data of HCPs/HCOs. For a complete understanding of the reporting described by us and published on this website, we direct users to the Methodology section, which explains the meaning and content of the transfer of values indicated in the report.
