

Joseph Morrissey

Head of Manufacturing and Supply

As Head of Manufacturing and Supply, Joe Morrissey is responsible for Organon's global manufacturing and supply chain capabilities leading the company to deliver the medicines and solutions that make it a healthier every day around the world. In his role, Joe ensures cross-functional coordination to drive uninterrupted, compliant and timely supply of Organon's diverse portfolio, with products that reach people in more than 140 markets around the world.

Joe comes to Organon from Merck, where he spent more than 30 years of his career. Most recently, from 2017 until the spinoff, Joe served as Senior Vice President of Merck's Animal Health Global Manufacturing and Supply, and from 2014 to 2016 as Senior Vice President and leader of Global Human Health Pharmaceutical Manufacturing. Previously, he held positions of increasing responsibility in pharmaceutical and vaccine manufacturing, global facilities management, corporate strategy, and supply chain management.

Joe received an M.B.A. from Villanova University and a Bachelor of Arts in engineering from Lafayette College.

About Organon Organon (NYSE: OGN) is a global healthcare company formed through a spin-off from Merck & Co., Inc., Rahway, NJ, USA (NYSE: MRK) to focus on improving the health of women throughout their lives. Organon has a portfolio of more than 60 medicines and products across a range of therapeutic areas. Led by the women's health portfolio coupled with an expanding biosimilars business and stable franchise of established medicines, Organon's products produce strong cash flows that will support investments in innovation and future growth opportunities in women's health. In addition, Organon is pursuing opportunities to collaborate with biopharmaceutical innovators looking to commercialize their products by leveraging its scale and presence in fast growing international markets. Organon has a global footprint with significant scale and geographic reach, world-class commercial capabilities, and approximately 9,300 employees with headquarters located in Jersey City, New Jersey.
