

Matthew Walsh

Chief Financial Officer

As Chief Financial Officer, Matt Walsh is responsible for the development and execution of Organon's financial strategy. He is focused on driving profitability and shareholder value and ensuring the highest standard of financial integrity for Organon so it can reach its vision of becoming a leading women's health company.

Over his career, Matt has served in several public companies as the CFO and in related roles. Before joining Organon, Matt was the Executive Vice President and CFO at Allergan plc, a global pharmaceutical company, and Catalent, Inc., a global provider of delivery technologies, development, and manufacturing solutions for drugs, biologics, cell and gene therapies, and consumer health products. Previously, he held finance and leadership positions at Escala Group and GenTek. Matt has also served in corporate development and other roles in the chemical and banking industries.

Matt is a CFA® Charterholder. Since 2020, he has served on the board of directors of Certara, Inc., a public company provider of software and consulting services to the life sciences industry, and previously was a board member of Multicolor Corporation, a label solutions provider.

Matt received an M.B.A. and Bachelor of Science in chemical engineering from Cornell University.

About Organon Organon (NYSE: OGN) is a global healthcare company formed through a spin-off from Merck & Co., Inc., Rahway, NJ, USA (NYSE: MRK) to focus on improving the health of women throughout their lives. Organon has a portfolio of more than 60 medicines and products across a range of therapeutic areas. Led by the women's health portfolio coupled with an expanding biosimilars business and stable franchise of established medicines, Organon's products produce strong cash flows that will support investments in innovation and future growth opportunities in women's health. In addition, Organon is pursuing opportunities to collaborate with biopharmaceutical innovators looking to commercialize their products by leveraging its scale and presence in fast growing international markets. Organon has a global footprint with significant scale and geographic reach, world-class commercial capabilities, and approximately 9,300 employees with headquarters located in Jersey City, New Jersey.
