

Rachel Stahler

Chief Digital & Commercial Innovation Officer

Rachel leads an integrated team comprised of franchise marketing, data & analytics, digital strategy, and business technology, driving digital enablement of marketing to address varying market needs and best serve our patients.

Rachel joined Organon with two decades of global technology experience in the healthcare industry and a passion for bringing new medicines and solutions to patients in need. She most recently led business technology, driving digital capabilities across all aspects of Organon's strategy to build value for the company's offerings and customers.

Prior to joining Organon, Rachel served as CIO at Allergan plc. Previously, she held CIO positions at Syneos Health, inVentiv Health and Optimer Pharmaceuticals. Earlier in her career, she held senior technology roles at Pfizer, Inc.

Rachel has an M.B.A. from Columbia University and a B.A. from the University of Pennsylvania.
