

Adverse Event Reporting Guidelines

In order to monitor the safety of Organon products, should any of your comments mention an adverse event to an Organon product we encourage you to report this to **Organon's Service Center at 1-844-674-3200**.

We may be required to contact you for further information. You may also report any adverse event directly to your healthcare provider or to the U.S. Food and Drug Administration (FDA) by calling **1-800-FDA-1088** or visiting **www.fda.gov/Safety/MedWatch**.

ORGANON

Non-U.S. residents: While this site is intended for U.S. residents only, countries outside of the United States may have specific procedures in place to address reports of adverse events. Please ask your healthcare provider for more information or contact your local health authority.
