How To Guide

How to register in Coupa

1. The Coupa Supplier Portal (CSP) is a free tool for suppliers to easily do business with customers who use Coupa. There are two ways to register in the CSP, you may receive an invitation from your customer or go to the Coupa Supplier Portal, [Coupa Supplier Portal \(coupahost.com\)](https://coupahost.com) and select “Sign up”. Click the link in your email to begin the registration process. If you haven’t received one yet, ask vendor.onboarding@organon.com to invite you. If you’re the first user in your company to receive this invitation, then you’ll be assigned Admin privileges, so you’ll need to think about how you want to set up the various users in your company.

The screenshot shows the Coupa Supplier Portal registration page. At the top left, it says "coupa supplier portal" and at the top right, it says "Secure". The main content is a white registration form with a light blue background. The form has two buttons at the top: "Log in" and "Sign up". Below these buttons, it says "Sign up for your free Coupa account". There are two input fields: "Work Email Address" with the placeholder text "Enter Work Email Address" and "Company Name" with the placeholder text "Enter Company Name". At the bottom of the form is a large orange button labeled "Sign Up".

2. When you receive an invitation from your customer via email click on the link and it will take you to the customer specific registration within Coupa. To set up your Coupa account register by selecting “**Join Coupa**” and/or invite others in your organization by forwarding the invitation.
