

Mazen Altaruti

Regional Lead, Emerging Markets

Mazen leads teams across Africa, Asia-Pacific, Latin America, Middle East and Russia. With over 20 years of diverse and rich pharmaceutical industry experience spanning key functions and regions across the world and formerly Regional Lead for LAMERA, he is one of Organon's earliest founders, and has played a pivotal role in shaping and growing the global healthcare company which was established in 2021 with the vision of creating a better and healthier every day for every woman worldwide.

Prior to joining Organon, Mazen held a wide variety of senior regional and commercial roles including Chief Marketing Officer for Eastern Europe, Middle East, and Africa, Gulf Managing Director, and Associate Vice President of MSD Gulf Cooperative Council (GCC), leading the human health commercial business across the GCC. He was also the chairman of the Pharma Association in the Gulf Region (PhRMAG).

Mazen has a bachelor's degree in pharmaceutical science from King Saud University and an M.B.A. from the University of Leicester.

About Organon Organon is a global healthcare company formed to focus on improving the health of women throughout their lives. Organon offers more than 60 medicines and products in women's health in addition to a growing biosimilars business and a large franchise of established medicines across a range of therapeutic areas. Organon's existing products produce strong cash flows that support investments in innovation and future growth opportunities in women's health and biosimilars. In addition, Organon is pursuing opportunities to collaborate with biopharmaceutical innovators looking to commercialize their products by leveraging its scale and presence in fast growing international markets.

Organon has a global footprint with significant scale and geographic reach, world-class commercial capabilities, and approximately 10,000 employees with headquarters located in Jersey City, New Jersey.
