

## GENERAL TERMS AND CONDITIONS FOR THE PURCHASE OF GOODS AND SERVICES BY ORGANON

These General Terms and Conditions apply to all ORGANON Purchase Orders sent to a supplier by Organon R&D Finland Oy, Itäinen Pitkäkatu 2B, Turku, 20520, Finland (hereafter referred to as "ORGANON"). These companies are part of the international pharmaceutical **ORGANON LLC., 30 Hudson Street, Floor 33, Jersey City, NJ 07302** (hereafter referred to as "ORGANON"). These General Terms and Conditions are an integral part of the ORGANON Purchase Order. They are available by contacting the Procurement department. These General Terms and Conditions are the sole conditions applicable to the order placed by ORGANON. These General Terms and Conditions shall prevail over any other terms and conditions of the supplier contained in any other document whatsoever (including without limitation, the offer or the invoice of the supplier). If ORGANON accepts delivery or performance without an express objection, then this shall in no way be deemed as recognition of or consent to those other terms. If the supplier does not agree with the terms of the ORGANON Purchase Order, he must inform ORGANON thereof in writing within five (5) business days after receipt of the ORGANON Purchase Order and explain the reasons why he does not agree. ORGANON will either cancel the ORGANON Purchase Order or issue another one. If the supplier confirms his acceptance of the terms of the ORGANON Purchase Order in writing, if he initiates the execution of the order or if he does not communicate his refusal in writing within five (5) business days after receipt of the ORGANON Purchase Order, he will be considered as having accepted the conditions of the ORGANON Purchase Order and of these General Terms and Conditions. These General Terms and Conditions together with the ORGANON Purchase Order constitute the entire agreement between the parties (hereafter referred to as the "Agreement"). This Agreement can only be amended in writing by an Addendum to these General Terms and Conditions, signed by both parties. In these General Terms and Conditions the term "supplier" refers to the individual or entity supplying goods and/or services to ORGANON under this Agreement. Whereas Section 2 only applies to the delivery of goods, Section 3 only applies to the performance of all services in general and Sections 5, 6 and 7 only apply to the specific services specified therein, all other Sections of these General Terms and Conditions apply to all goods and/or services purchased by ORGANON.

### 1. Timeframes

The timeframes of delivery provided for in the ORGANON Purchase Order are binding. ORGANON, however, reserves the right to modify them following its needs after reasonable prior notice to the supplier. In case of delay in the delivery (except in case of *force majeure*), ORGANON reserves the right, at its sole discretion, to either claim for damage compensation or reject the delivery. These damages are fixed by the parties at 20% of the contractual price (incl. VAT) set forth in the ORGANON Purchase Order, with a minimum of 150 EUR without prejudice to ORGANON's entitlement to full recovery of the damage actually suffered. Should the timeframe provided for in the ORGANON Purchase Order not be reasonably acceptable for the supplier, the latter must inform ORGANON in writing and propose a new timeframe to ORGANON. ORGANON may then decide, at its sole discretion, to maintain its order with the adapted timeframe or to cancel its order at no expense.

### 2. Delivery of goods

- (a) A delivery order stating the number and date of the ORGANON Purchase Order shall be attached to the delivery.
- (b) Each packaging shall be clearly marked with a shipping label on the outside clearly showing the ORGANON Purchase Order number and the delivery address. Multiple cartons on the same ORGANON Purchase Order shall be marked as 1/2, 2/2, etc.
- (c) Each packaging shall mention its weight (gross, tare, net), in a legible and non-removable way.
- (d) Should the supplier deliver the goods at another address than the one mentioned in the ORGANON Purchase Order, the expenses entailed by a second transport shall be borne by the supplier.
- (e) The receipt given by the "reception desk" of ORGANON only concerns the number of the delivered goods.
- (f) The final receipt of the delivery is subject to the written acceptance of the person at ORGANON who placed the order.
- (g) In case of return of the rejected goods for incorrect delivery, the return expenses shall be borne by the supplier.

### 3. Standard of services

The supplier shall devote its best efforts to efficiently perform the services set forth in the ORGANON Purchase Order, with care, skill and diligence and in accordance with all provisions of the ORGANON Purchase Order, these General Terms and Conditions and the standards currently recognized by the supplier's profession or industry. At its sole discretion and at any time ORGANON shall be entitled to revise the services described in the ORGANON Purchase Order, and the parties shall, in good faith, make mutually agreeable adjustments in writing to the time of performance, fees and costs in relation to these changes. The supplier shall staff each service with professional, well-trained and knowledgeable staff whose background and experience best suit the requirements of the services. Where used in this Agreement the term "staff" shall mean those persons or entities appointed by the supplier to perform the services, irrespective of the relationship that exists between the supplier and such person or entity. The supplier, at the exclusion of ORGANON, shall have the sole responsibility for the supervision and monitoring of any of its staff.

### 4. Quality assurance and Good Industry or Good Manufacturing Practice

(a) The Supplier shall comply with the principles and guidelines of Good Industry Practices in the performance of its services and where applicable, Good Manufacturing Practice (GMP) set out in Commission Directive 2003/94/EC.

(b) The agency shall comply with all indications and timeframes specified in the ORGANON Purchase Order and shall follow ORGANON's instructions. Furthermore, if required, the agency shall, for the benefit of ORGANON, enter into agreements in its own name and for its own account with third parties for the organization of the event and shall use best efforts to negotiate reasonable commercial terms with such third parties (including without limitation price and cancellation conditions) in accordance with the applicable laws, the ORGANON policies communicated to the agency and with the requirements of these General Terms and Conditions. Prior to his contracting with any third party, ORGANON may request from the supplier a list of these third parties. In this case, ORGANON shall have the right to oppose to the use by the supplier of such third party. The agency shall coordinate with ORGANON on a regular basis. The ORGANON Purchase Order shall specify the detailed budget for the services to be provided for the organization of the event, including the cost related to the services of any third party contracted by the supplier for the organization of the event.

(c) All services to be performed by the supplier (including without limitation any invitations, registration packets or any other communication of any type with invitees) shall require the prior written approval of ORGANON prior to any distribution. The agency shall at all times act in accordance with ORGANON's requirements and policies communicated to the agency.

### 6. Creation/production of promotional material and public relations services

Promotional materials to be provided by the supplier which will be distributed by ORGANON and which refer to ORGANON products or therapeutic classes in which ORGANON has products must comply with the applicable laws and regulations on the promotion of medicinal products. Said laws and regulations require that all labeling and promotional material be consistent with the information contained in the scientific product circular of

ORGANON also reserves the right to make and/or request changes that enhance editorial flow and style and lend precision to expression. It is therefore possible that several drafts or rough cuts may be required to secure ORGANON's approval. These drafts and any work associated herewith shall not result in any additional payments due under the ORGANON Purchase Order. Payment for any such drafts is included as part of the price set forth in the ORGANON Purchase Order.

(d) The supplier represents and warrants that he has a working knowledge of applicable scientific product package circulars of ORGANON, of the laws and regulations, as well as of the ORGANON policies on promotion of medicinal products.

(e) The supplier shall secure from its staff and/or any third parties all necessary written consents, authorizations, approvals and releases for use of the promotional/public relations material by ORGANON worldwide in any media, including but not limited to rights for use on the Internet, now known or later developed. (f) In addition, the supplier shall secure written consents, authorizations, approvals and releases from any person who is not an employee of ORGANON whose voice, image or name is to be used in any part of the promotional material in view of the worldwide use of this material by ORGANON. If the supplier is unable to obtain such valid and binding written consent of the persons referred to above prior to final production of the materials, the supplier must notify ORGANON hereof on beforehand in writing. Copies of any consents, authorizations, approvals and releases provided for in this paragraph shall be provided to ORGANON upon request.

(b) The supplier shall employ an adequate number of qualified personnel and shall use skill, prudence, and good judgment to competently supervise the performance of the services consistent with the interests of ORGANON. The supplier shall be solely responsible towards ORGANON for and have control over all means, methods, techniques, sequences and safety procedures and for coordinating all portions of the services. (c) The supplier represents and warrants and covenants that:

(i) all deliverables and/or services shall be delivered or performed free of any security interests, claims, liens or any other encumbrances whatsoever;

(ii) there are no rights outstanding which would diminish, encumber or impair the enjoyment or exercise of the rights granted to ORGANON; and

(iii) the supplier has right, title and/or interest necessary to assign, transfer, license or convey the deliverables and services.

The foregoing representations, warranties and covenants are and shall be deemed to be continuing.

(d) The supplier represents and warrants that all services and deliverables shall be free of any material defects or defects in workmanship, shall conform in all material respects to the requirements and specifications agreed to by the parties and shall be fit and sufficient for the purposes expressed by ORGANON in, or reasonably inferred from, the ORGANON Purchase Order or any other written communication from ORGANON.

(e) The supplier shall, at no expense to ORGANON, correct any failure to fulfill any representations, warranties and/or covenants expressed in this Section which may arise within a reasonable time of the performance of services (with a minimum term of 1 year). ## 8. Payment and invoice

ORGANON shall pay the supplier in consideration for the goods and/or services ordered by ORGANON a price as set forth in the ORGANON Purchase Order. Each invoice shall mention the number and date of the ORGANON Purchase Order. Except upon prior written acceptance by ORGANON, any invoice mentioning different prices than those mentioned in the ORGANON Purchase Order will be refused and returned for rectification. The invoices are payable within sixty (60) business days after receipt by ORGANON. The prices set forth in the ORGANON Purchase Order are the prices exclusive of VAT. ORGANON will be entitled to return any invoice and withhold payment of the price mentioned in the ORGANON Purchase Order and any other amounts charged by the supplier to ORGANON until an invoice complying with the requirements of this clause is presented to it. ORGANON shall make payments only on the basis of original invoices accompanied by the adequate documentation attesting of all expenses incurred. The expenses related to the services ordered (including without limitation, reasonable travel, meal and lodging expenses) will only be reimbursed by ORGANON if specified in the ORGANON Purchase Order against submission of receipts and subject to prior written approval of ORGANON. In case the actual expenses incurred are lower than the expenses originally estimated and set forth in the ORGANON Purchase Order, the price shall be reduced accordingly.

## 9. Rejection

(a) If any of the services does not comply with the purchase order or with any term of this agreement including quantity, quality or description, ORGANON shall be entitled to reject those services at any time after delivery or completion irrespective of whether ORGANON has accepted them or made payment for them. Any acceptance of such services by ORGANON shall be without prejudice to any rights that ORGANON may have against the supplier, including but not limited to those set out in clause 9 (b).

(b) In the event of rejection of services under clause 9 (a), ORGANON may at its absolute discretion;

- i. seek recovery of sums paid to the supplier in respect of the rejected services as a debt, or

To the extent that these are

useful to ORGANON, the services and deliverables already completed/delivered by the supplier at the time the Agreement is being terminated by ORGANON because of breach or non-observance of the supplier, will be charged/invoiced to ORGANON in as much as they exceed the compensation that can be claimed by ORGANON for the damage possibly suffered, the amount of which will be disclosed within reasonable notice. Invoices already issued or paid will be balanced by an appropriate "credit note".

(c) Without prejudice to paragraph (b), ORGANON shall have the right to terminate this Agreement (or part of it) at any time without cause and without indemnity upon notice to the supplier of ten (10) business days. In this case, ORGANON shall pay to the supplier:

(i) The services and deliverables ordered by ORGANON and completed/delivered by the supplier prior to the date of termination less any payment already made by ORGANON. In no event shall the total payment to be made by ORGANON under this paragraph exceed the price set forth in the ORGANON Purchase Order. If payments already made by ORGANON to the supplier exceed the payments due by ORGANON under this paragraph, the supplier shall refund the difference to ORGANON within ten (10) business days after termination.

(ii) The expenses reasonably incurred for the execution of the order up to the date of receipt of ORGANON's termination notice (provided such expenses cannot be cancelled or recovered by the supplier). Upon request of ORGANON, the supplier shall provide proof satisfactory to ORGANON that expenses incurred are not cancelable or recoverable and have been paid.

(d) Without prejudice to paragraphs (b) and (c), ORGANON shall have the right to terminate this Agreement at any time with immediate effect, without prior notice or indemnity, in the event of bankruptcy, voluntary liquidation, appointment of an *ad hoc* administrator, a liquidator or receiver, termination of activities, attachment or seizure proceedings or any other procedure or circumstance indicating that the financial situation of the supplier is jeopardized.

(e) Without prejudice to paragraphs (b), (c) and (d), in case the following facts cause a prejudice to ORGANON, ORGANON shall have the right to terminate this Agreement at any time with immediate effect and without indemnity upon notice to the supplier, in the event (i) 35% or more of the voting shares of the supplier or its parent, as the case may be, are acquired by a third party, or (ii) the supplier shall dissolve, transfer, sell, assign, mortgage, encumber, pledge, or otherwise dispose of all or substantially all of its assets. The supplier shall immediately disclose to ORGANON such change in ownership.
